Type of Work Requiring Roadway Use: _____

This document is required to be completed as part of the Construction Application for any structure and for any project requiring delivery or removal of materials whereby any vehicle has a gross weight in excess of 12.5 tons (25,000 pounds) . Application for a road use permit must be made at least three (3) full business days in advance of the time the permit is to be used. Payment must be received before work may begin.

If this permit is not requested as part of new home construction, please complete this section:

Dates of road use	
Times of road use <small>Restricted to before 11:00am May – Sept.</small>	
Materials to be loaded in/out	
Number of loads	
Gross weight per load	

Name and address of contractor or company used: _____

Are you requesting a permit to exceed weight limits? [] Yes [] No

If yes, please explain circumstances that would warrant a permit for such action:

The permit fee is based on the information provided above. Additional fees may be due upon completion of work if actual loads/measurements differ from figures provided. A permit fee is not required for new home construction; however, the Owner(s) are not exempt from fees, fines or assessments if road use is known to be in violation of the Roadway Rules or visible damage to the roads results from road use during the course of the construction.

The property owner and the contractor certify by his/her signatures that the attached Roadway Rules of April Cove have been read and there are no questions as to the meaning or intent of the restrictions regarding this submission. Further, by his/her signature, the property owner and the contractor agree to abide by the stated guidelines and restrictions.
